The Brave Heroes Foundation

DONATE NOW

Who We Are

The Brave Heroes Foundation is a 501(c)(3) nonprofit organization founded by Neil Shah and Rushi Chivukula. Our mission is to support pediatric Cancer patents and their families by providing resources, support, and tools to navigate their battle.

What We Do

Since we launched in 2023, The Brave Heroes Foundation has teamed up with Dana Farber, Ronald McDonald House, and Tommy's Place. We've also kicked off our podcast, Brave Heroes Stories, featuring interviews with families touched by cancer; accessible on all major streaming platforms.

OUR MISSION

At The Brave Heroes Foundation, our mission is clear: Supporting Families, Fighting Cancer Together. In alignment with this mission, we have launched The Brave Heroes Stories, as well as developing The Hero Program

DONATE

To back our mission, we're reaching out for your support through donations. Rest assured, all contributions are tax-deductible under IRS 501(c)(3) guidelines.
